PRIVACY STATEMENT OF A METAL SOURCE, LLC

At *A Metal Source, LLC* (collectively, "*A Metal Source*"), we are committed to protecting your privacy. The information collected on our site is used strictly for processing orders and credit applications. *A Metal Source* does not sell or trade any customer data with any firm, for any reason. The data *A Metal Source* stores is designed to make doing business with *A Metal Source* easier. *A Metal Source* has gone to great lengths to insure such data is protected and secure. *A Metal Source's* use security protocols to send and receive data and you can be assured that *A Metal Source* is committed to your privacy and maintaining complete confidentiality.

- What information does *A Metal Source* collect? How does *A Metal Source* use it?
- When you submit an inquiry, an order or request credit with *A Metal Source*, we need to know your name, e-mail address, mailing address, and any other pertinent data. This allows *A Metal Source* to process documents completely and accurately.
- *A Metal Source* uses your username/password login information to fill in your address and billing information, as well as to provide relevant information to you while visiting the *A Metal Source* site.
- *A Metal Source* will monitor traffic patterns and site usage to help us develop effective programs and content for our customers and partners.
- *A Metal Source* may also use the information we collect to occasionally notify you about important changes to the website, new services, and special offers *A Metal Source* thinks you will find valuable. If you would rather not receive this information, you may visit our site to remove yourself from our distribution list.

HOW DOES A METAL SOURCE PROTECT CUSTOMER INFORMATION ?

When you place orders or access your account information, *A Metal Source* offer the use of a secure server. The secure server software *A Metal Source* uses is Secure Sockets Layer 128-bit data encryption (SSL), which is endorsed by the World Wide Consortium and is the de facto standard for secure data transmission. SSL encrypts all information you input before it is sent to *A Metal Source*. Furthermore, all of the customer data *A Metal Source* collects is protected against unauthorized access.

WHAT ABOUT "COOKIES" ?

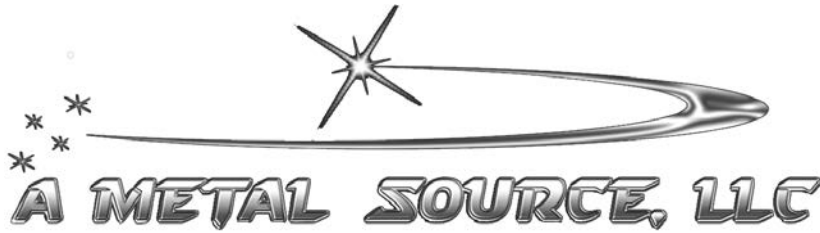

"Cookies" are small pieces of information that are stored by your browser on your computer's hard drive. *A Metal Source's* cookies do not contain any personally identifying information, but they do enable *A Metal Source* to provide features such as save order and to store items between visits. Most Web browsers automatically accept cookies, but you can usually change your browser to prevent that. Even without a cookie, you can still use most of the features in our site.

HOW TO CORRECT, UPDATE OR DELETE YOUR PERSONAL INFORMATION

If your personally identifiable information changes, such as your address, zip code, phone number, email, or if you no longer wish to be in our database, or if you have any questions about our privacy policy, please contact *A Metal Source* by emailing Legal@AMetalSource.com

WILL A METAL SOURCE DISCLOSE THE INFORMATION IT COLLECTS TO OUTSIDE PARTIES ?

A Metal Source does not sell, trade, or rent your personal information to others.
